Description:

What you are looking at here is one of the most solid 1967 camaro convertibles that I have seen to date here at Great American Classics. This awesome camaro has recieved a complete rotisserie restoration and it shows. Everything has been restored or replaced. This mean looking RS/SS Convertible CAN BE DRIVEN ANYWHERE! Yes you can come pick it up and drive it across the country if you so choose to do so. It is extremely reliable and the ride quality is amazing. It runs very strong with its performance 350 horse power 327 with the double hump heads. The four speed transmission shifts very smooth and the clutch kit is brand new. This fabulous car comes with a 12 bolt rear end and rear sway bar. This car is a real pleasure to drive with its power disc brakes and power steering. This beast has a great exhaust note with the ceramic coated headers and new flowmaster mufflers. You will not believe the response this car gets in public. People literally flock to this car. You will just have to see the undercarrige to believe it. It is near perfect. There was no expense spared on this rebuild. Everything on the exterior and the interior is new or restored. The pictures in this ad just cannot do this car justice. The top looks new as does all the weatherstripping. All the chrome and stainless look new all the interior looks new Simply everything.
